

Curriculum vitae

Professor Dr. Bernd Speiser

date and place of birth: 30.08.1952, Heilbronn-Sontheim/Germany

Professional development

Abitur: Gymnasium Villingen, 1971

diploma: chemistry, Universität Tübingen, 1977

dissertation: „Elektrochemische Oxidation von Phenolen und Anilinen – Untersuchungen des Oxidations-mechanismus mit elektroanalytischen Methoden“ with Prof. Dr. A. Rieker, Universität Tübingen, 1981

post-doctoral positions: University of Alberta, Edmonton, Alberta, Canada, Prof. Dr. S. Pons, 1981 – 1982

Universität Tübingen, 1983 – 1990

habilitation: discipline: Organic chemistry, Universität Tübingen, 1990

awards: I.W. Killam fellowship, 1982
DFG-Heisenberg fellowship, 1992 – 1996
title “außerplanmäßiger Professor”, 1996

main research topics: molecular electrochemistry, redox-active molecules and materials, computer simulation of electrochemical experiments
